

SCHOOL TIME
PERFORMANCES

Join us at the HISTORIC COHOES MUSIC HALL

celebrating Women's History Month in March 2024!

This year, our educational scholastic musicals will be presented LIVE at the Cohoes Music Hall!

Introducing students to the theatre arts introduces them to a hobby and pursuit they may not have been exposed to previously. The arts teach collaboration, problem solving and self-expression, and can help bring curriculum to life in an engaging way! Our school-time shows allow students to be introduced to the joy of live performance, giving them an important, in-person audience experience at a historic venue, as well as the opportunity to learn proper etiquette for a theatre; all while spurring conversation and camaraderie in the classroom.
